THE TENTH ANNUAL
AREA EXHIBITION

OF WORK BY ARTISTS OF
WASHINGTON & VICINITY

DECEMBER 4, 1955—FEBRUARY 5, 1956

THE CORCORAN GALLERY OF ART

Warrior Bard

FOREWORD

The First Annual Area Exhibition was held at The Corcoran Gallery of Art ten years ago. It was a bold innovation, since the Gallery's earlier policy was to provide exhibition space to each of the numerous societies of artists in Washington for one month each year. The change to the present system resulted in a much greater number of artists submitting their work. More recently, the area from which entries could be submitted was extended from twenty-five to fifty miles around Washington, and the range of categories was broadened to include ceramics, textiles, stained glass and silver, as well as painting, drawing, prints and sculpture.

The method of jurying and the selection of the jury is determined each year by a committee comprising the presidents of the professional artists' groups in the Washington area. The committee, which meets annually, is also presented with a report of the accounts of the previous Area Exhibition, and it is asked to make suggestions on the following one.

The practice of giving cash awards was discontinued after the second year, and the prizes now consist of one-year memberships in the Gallery given to approximately five percent of the accepted entrants. As a result of this, all the proceeds of the exhibition, after expenses are deducted, are added to the generous gifts made each year by a number of Washington business firms and private individuals towards the purchase of works from the exhibition for the Gallery's collection.

So far some forty works have been acquired for the Gallery in this fashion. They constitute a lively record of artistic trends in this area over the past ten years. A small selection of these works will be on view in the Members' Room for the duration of the exhibition.

The jury for the current exhibition, which consisted of Karl Knaths, Heinz Warneke, David Keppel and René Batigne, accepted 304 of the 1,306 submitted. We are most indebted to them for undertaking a thankless and arduous task, and we wish to express to them our sincere appreciation.

HERMANN WARNER WILLIAMS, JR., *Director*

Because all twenty-two awards in the exhibition are of equal weight and distinction they are indicated in the catalogue by a star before each catalogue number.

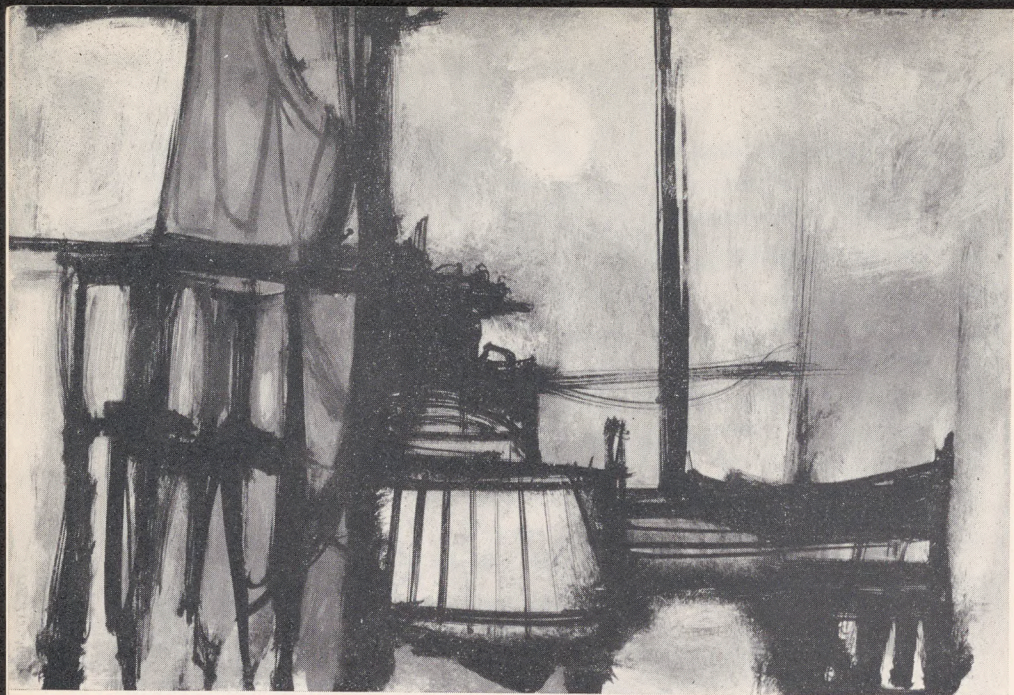

A high percentage of the works shown are available for purchase. For the convenience of prospective patrons, the artists have listed the prices. The Gallery is happy to perform this service for the artists and the community. No commission is taken by the Gallery on any sale. Payment on the installment plan may sometimes be arranged directly with individual artists.
